

WORKSHEET "FLASH INTERVIEW"

On professions: _____

A "flash interview" helps you ask people with interesting jobs or courses of study about what they do. Don't put yourself under any pressure and use the interview to gather information about how other people came to decisions that were right for them.

QUESTION	ANSWER FROM THE INTERVIEW
How did your desire for a profession or course of study develop?	
	My notes:
What steps did you take to reach your goal? And who supported you along the way?	
	My notes:
If you had to decide all over again – would you pick this profession or course of study again? If yes, why? If no, why?	
	My notes:
What tips could you give me for choosing my own profession or course of study?	
	My notes:

THANK YOU VERY MUCH!

IF I HAVE MORE QUESTIONS, MAY I CONTACT YOU AGAIN?
